

What We Do:

Colon Hydrotherapy:

- Initial Consultation & Session (90 minutes) - \$115
- Subsequent Sessions (60 minutes) - \$85
- 6 Session Series* (\$60 savings) - \$450
- Create Your Own Series* - Add more sessions to a series of 6 for just \$75 each.

* To qualify as a series, your sessions must be scheduled after completing your initial Colon Hydrotherapy session, scheduled in advance, booked no more than 1 week apart (more often if you're not a daily pooper), and are pre-paid.

Please visit the Colon Hydrotherapy page for more information on this service.

Probiotic, Coffee, Aloe Gel, or Chlorophyll Implants*:

- In Office - \$40
- Take Home - \$20
- BYOI - \$20

* Implant sessions are 15 minutes longer. When possible, please let us know you want an implant at the time of scheduling.

Please visit the Implant Section of the Colon Hydrotherapy page for more information on this service.

Liver & Gallbladder Flush:

- Liver & Gallbladder Flush* - \$210 to \$380

* L&GB Flushes may be scheduled after completing your initial colon therapy session, are scheduled in advance, and are pre-paid. The Liver & Gallbladder Flush is tailored to suit your needs. The price above reflects the difference in 2-4 colon therapy sessions, and includes support products.

Please visit the Liver & Gallbladder Flush page for more information on this service.
